

Links Pond Cluster Association Meeting
August 16, 2019

- Attendance

Mike Mellin, Mark Schoepfle, Lyn McPherson, Vincent Mayer

- Driveway paving status

Mike reported on the need to ensure residents move cars from parking areas during work

Email, leaflets and leaflets placed under car windows will be use to remind that cars not moved from cluster area will be towed at owners expense, and that normal deliveries to cluster residents will not be possible while paving work is ongoing.

Lyn will try to confirm that parking by the soccer field may be available to cluster residents during work period.

- Miscellaneous

Lyn will finalize transfer of financial materials, records, and responsibilities from Donna, who is retiring from the board. Lyn will also take on mail collection responsibility.

Board continues to receive ballots for vacant board positions. Vince will collect.

Planning for the October 5 cluster picnic is ongoing.
